## DISCLAIMER

### Liability for content

As a service provider, we are, pursuant to Section 7(1) of the German Telemedia Act, responsibly for our own content on this website under the general laws. However, Sections 8 to 10 of the German Telemedia Act state that we as a service provider are not obliged to monitor transferred or stored external information or to look for any evidence which indicates unlawful activity. Obligations to remove or block the use of information under the general laws remain unaffected by this. However, liability in respect of this is only possible from the point in time when it becomes apparent that a specific legal infringement has taken place. When we are notified about corresponding legal infringements, we shall remove this content immediately. We are unable to offer any guarantee that the content which we provide is correct and/or complete.

### Liability for links

Our offering contains links to external websites of third parties over whose content we do not have any influence. We are therefore also unable to offer any guarantee in respect of this external content. The respective provider or operator of the linked websites is always responsible for the content of these websites. The linking of external websites or content on our website does not mean that we claim the linked content and any views and opinions expressed there to be our own. The linked websites were checked for possible legal violations at the time that the link was set up. No unlawful content was apparent at the time that the link was set up. However, it is not reasonable to expect constant checks to be made of the content of the linked websites unless there are specific indications of a legal infringement. When we are notified about legal infringements, we shall remove such links immediately.

Downloads and copies of this page are only permitted for private, non-commercial use. Unauthorized use of content which is protected by copyright, in particular the unauthorized reproduction or dissemination of content, is not allowed, is liable to prosecution and the obligation to pay compensation. If the content on this page was not created by the operator, the copyrights of third parties are complied with. In particular, any content belonging to third parties is identified as such. Nonetheless, if you should become aware of a copyright infringement, we ask you to notify us accordingly. When we are notified about legal infringements, we shall remove such content immediately.
